Re: Request on behalf of Ed Handte to be scheduled as an agenda item for the BOCC
Sounding Board

Dear Mr. Roberts:

I am in receipt of your letter dated October 15, 2004. We have been advised by Bob Shillinger, Esq., Assistant County Attorney, that no further attempts will be made to investigate the Code Enforcement violations occurring at 103375 Overseas Highway, Key Largo, Florida. Because Code Enforcement has declined to bring the matter before Special Master Overby, my client wishes to be scheduled for the next available BOCC meeting to have the opportunity to air his concerns before the Board.

Please advise at your earliest convenience when Mr. Handte will be on the agenda.
Thanking you in advance for your assistance.

Sincerely,

Lee R. Rohe
